SOMMELIERS CHOICE

Ruinart L'Exclusive

This masterpiece was created by Ruinart to celebrate the Millennium. The silver casing and rare African red walnut humidor is impressive enough, however, the contents of the bottle is truly magical. With only five bottles left Worldwide this Champagne is a rare collectors item. It is a blend of five great years 1985, '86, '88, '90 & '93 and made solely from the finest, hand picked, "Grand Cru" Chardonnay grapes

Jacques Selosse

Anselme Selosse is the proud owner and winemaker of this small yet exclusive Chateau, he is described as eccentric, charismatic and obsessed, the Champagne known to be complex powerful & unusual... on the palate rich butter, brioche and an astonishing purity of flavour. Made in such small quantities this Champagne is only available in Michelin starred restaurants in London such as Gordon Ramsay's, we are lucky enough to have a small allocation too, a real treat worth savouring
